Alcohol: The State of New Jersey New Jersey has very strict laws concerning driving under the influence of alcohol and drugs. Persons found guilty of DWI charges are subject to substantial penalties, including fines and imprisonment. Centralized Registration and Wristbanding To improve customer service for all alumni returning to Reunions, and to provide more security for wristband distribution, the Office of the Alumni Association has created a centralized wristbanding location for the Satellite Classes of 1972–2007. No changes have been made for the Satellite Classes of 2008–2013 and 1950–1971.

As a reminder, wristbands are needed to enter the major reunion headquarters sites after 5:00 PM. A wristband allows satellite class members and their guests access to the evening entertainment and alcoholic and non-alcoholic beverages, but does not include meals or costumes. Wristbands are not required to attend daytime programming, the One and Only P-rade on Saturday, or the lawn concert and fireworks later that evening.

- Satellite Classes of **1972–2007** and their guests register, sign the class ledger book, and pick up a reunion button at **Baker Rink**. After being wristbanded, satellite alumni and guests should proceed to their corresponding major reunion headquarters site. If staying on campus, housing assignments and keycards are available at the headquarters site.
- Satellite Classes of **2008–2013** and **1950–1971** and their guests register at their corresponding major reunion headquarters site.
- Graduate Alumni and their guests register at the APGA headquarters at Cuyler.
- Old Guard and their guests register at Forbes College.

Computing Resources During Reunions weekend, Princeton’s Office of Information Technology (OIT) provides wireless Internet access to all campus visitors. The service is free of charge and requires no registration. For those who come without their personal laptops, several conveniently located computer facilities (“clusters”) are available to you. Your use of the Visitor Wireless Service constitutes your agreement to abide by the University’s Acceptable Use Policy, posted at princeton.edu/itpolicy. If you do not agree to abide by that policy, do not connect to this network.

Wireless Networking

Wireless networking is available in nearly all of Princeton’s buildings, and in many outdoor spaces such as Cannon Green. Visitors should connect to the network called “puvisitor.” A printable map that shows wireless coverage on campus can be found at princeton.edu/wirelessmap.

Getting Computer Help While on Campus

The OIT Support and Operations Center (also known as the “Help Desk”) is open 24 hours a day, 7 days a week, to help with computing and networking problems. To speak with a Help Desk consultant on the phone, call 609-258-HELP (4357) and press option 1. For online chat, go to the

OIT homepage (princeton.edu/oit) and click on the link on the right. You can also send email to helpdesk@princeton.edu.

Computing Facilities Available during Reunions

There are several computing facilities (“clusters”) available for your use during Reunions weekend. These machines will have a special Reunions configuration and will not require you to log in. You can simply visit one of the facilities listed below and gain access to the Internet. You can use these computers to check your email (provided you have a Web-accessible email interface), browse the Internet, and use Microsoft Office.

Reunions computer clusters will be located as follows:

Lightning Storms: Emergency Preparedness Lightning is the second leading cause of direct weather deaths in the United States (after floods) and results in more fatalities each year than tornadoes and hurricanes combined. Given the random nature of lightning strikes, absolute protection cannot be guaranteed to any individual or group. Individuals are ultimately responsible for their personal safety and should take appropriate action when threatened by lightning. Adults must take responsibility for the safety of children in their care during thunderstorm activities. However, awareness of certain lightning safety guidelines can greatly reduce the risk of injury or death.

1. Identify in advance a location (e.g., building, bus, personal automobile) that would be safe during a thunderstorm. Locations that offer little or no protection from lightning include tents, golf carts, or open shelters, such as parking garages. Recommended locations for Reunions participants include dormitory common spaces in the headquarters sites, Alexander Hall, the University Chapel, and Frist Campus Center.
2. Public Safety will notify your reunion if a bad storm is expected and if evacuation of the headquarters site is recommended. When you first see lightning or hear thunder, go to the safe location immediately. Lightning often precedes rain; so don't wait for the rain to begin before suspending activities.
3. If you are caught outdoors, avoid high ground, open spaces, and water. Avoid all metal objects including electrical wires, fences, machinery, motors, and power tools. Avoid standing under Reunions tents; while they provide protection from the rain, they do not provide protection from lightning. If lightning is striking nearby when you are outside, you should:
 - a. Crouch down and put your feet together. Place your hands over your ears to minimize hearing damage from thunder.
 - b. If part of a group, spread out. You should avoid being in close proximity (minimum of 15 feet) to other people.
4. Suspend outdoor activities for at least 30 minutes after the last observed lightning flash or thunder clap or until your reunion receives the "All Clear" message from Public Safety.
5. Persons injured by a lightning strike do not carry an electrical charge and can be handled safely. Apply First Aid procedures to a lightning victim if you are qualified to do so. **Call Public Safety Emergency at 609-258-3333.**

Lost and Found If you discover you have lost an item over the weekend, please check first with the student crew at your major reunion headquarters. The Office of the Alumni Association crew also collects lost and found items at Maclean House (609-258-3468). Shortly after Reunions, lost and found items will be moved to Public Safety and registered. You can check with Public Safety regarding your item at 609-258-1000.

Medical Services If you or your companions need assistance, medical help is available for bee stings, cardiac symptoms, or anything in between. Please program your cell phone with Public Safety's emergency number 609-258-3333, or dial 9-1-1 from any blue light phone or campus landline. **Dialing 9-1-1 on a cell phone routes to the nearest emergency call center and may slow emergency response time.**

Orange Key Campus Tours Tours will be offered Thursday and Friday at 11:15 AM, 1:00 PM, and 3:30 PM, leaving from the Admission Reception Area in Clio Hall (top floor).

Parking All entrances to the University will be closed to vehicles during Reunions. To access the campus shuttle, park cars in Lots 20/32 or Lot 21, next to Jadwin Gym. Accessible parking is available in Lot 16 with access to ADA-compliant shuttles. Reserved parking is available in Lot 23 for the Old Guard and 65th Reunion. Please refer to the foldout 2014 Reunions Headquarters and Parking map for details.

P-rade The P-rade begins at 2:00 PM on Saturday. Alumni, spouses, and their children are welcome to march. Be sure to check the P-rade map in this booklet, in your Reunions issue of the *Princeton Alumni Weekly*, or on posters at your major reunion headquarters site and around campus for the route and staging area for your class. Orange signs will also be posted along the route — or you can look for your classmates in their reunion costumes. Refer to the P-rade map for concession stand locations.

This year's finale will be on Poe-Pardee fields. Parents of members of the Class of 2014 are encouraged to sit on the bleachers reserved for them at the Poe-Pardee finale for the best views and photos. At the end of the route, please help keep the P-rade moving!

Here are some additional suggestions that could help your major reunion win this year's Class of 1945 P-rade Trophy:

- Get to your staging area by 1:45 PM
- Wear your reunion costume
- Keep up with your class! Follow the banner and keep up with the people in front of you
- Carry very young children or use a stroller
- Keep moving while you are cheering the classes and the APGA along the way and at the Reviewing Stand

Public Safety

Location:

The Department of Public Safety (DPS) is located at 200 Elm Drive, on the southern end of main campus.

If you are driving: Upon arriving on main campus through Faculty Road, proceed north on Elm Drive through both traffic circles and come to a stop at the officer kiosk. The kiosk at the south end of campus is staffed 24 hours a day, 7 days a week. The officer will direct you to continue north approximately 500 feet and turn left into the second driveway.

Hours:

DPS operates 24 hours a day, 7 days a week. The Communication Center and Welcome Desk on the first floor at 200 Elm Drive are staffed 24 hours a day, 7 days a week.

Contact:

Non-emergencies: **609-258-1000**

Immediate emergencies: **609-258-3333**

On-Campus Emergencies:

Dialing 9-1-1 from any University landline phone connects you to the Department of Public Safety's emergency line. If

you are on campus and dial 9-1-1 from your cell phone you will automatically be routed through the state-approved 9-1-1 Switched Telephone Network and be connected to the appropriate state-approved Public Safety Answering Point (PSAP), which would, in most situations, be the Princeton Police Department. If you want to reach DPS quickly and easily, we suggest you program your cell phone with **609-258-3333**.

There are 23 blue light communication towers throughout campus and 42 blue light phones. With the push of a button the user can communicate directly with the DPS Communication Center. This enhanced technology also allows DPS to send out emergency broadcast alerts (e.g., seek shelter due to an impending lightning storm) as needed. The location of each tower is digitally displayed to the DPS Communication Center.

Reunions Mobile Throughout Reunions, you can quickly access helpful information — from event schedules to alerts, from transportation logistics to P-rade staging sites. Just navigate to **m.princeton.edu/reunions** on your smartphone or other mobile device.

Reunions Rover In addition to providing campus shuttles and hotel buses, the University is introducing a new program called Reunions Rover — a student-driven golf cart transport service for alumni and guests with mobility issues. Overseen by University Services, the rovers will be clearly marked and will make continuous loops around campus. Please feel free to wave the student driver down if a ride to your destination would be helpful.
