Dear fellow Princetonians,
On behalf of the Alumni Association of Princeton University, it is my great honor to welcome you back to Old Nassau and to Reunions 2014. In these pages, you will find a full weekend of programs and activities, from Alumni-Faculty Forums and career workshops to class and departmental panels and receptions. If music is your passion, stop by the Reunions headquarters sites each evening for great entertainment, stroll over to the arches around campus to hear Princeton’s a cappella groups perform, spend Friday afternoon listening to groups from the past compete in the annual Alumni Battle of the Bands, and be sure to attend the Princeton University Band’s Fred E. Fox ’39 Memorial Concert Saturday morning on Cannon Green — my favorite event. Finally, you won’t want to miss the one and only P-rade on Saturday afternoon and the spectacular lawn concert and fireworks on Saturday evening.

Going Back is among the greatest and most longstanding of Princeton traditions. We hope that you will take this time to reconnect with old friends and meet new ones, engage your mind, enjoy the beautiful Princeton campus, and rediscover why Princeton really is “the best old place of all.”

Have a wonderful weekend!
Nancy J. Newman ’78

A Brief History of Princeton Reunions and the P-rade

All colleges encourage their graduates to maintain and demonstrate loyalty to their alma mater through return visits. However, no other institution welcomes all of its alumni and their families back for reunions on a yearly basis with the style and fanfare that is uniquely Princeton. Here is a short history of this ever-evolving annual tradition.

In the College of New Jersey’s early years, alumni regularly returned to campus to attend Commencement exercises. Its 100th Commencement in June 1847 drew an impressive 700 graduates for a formal dinner, escalating the tradition into a larger event. Until 1859, all alumni gathered together, but in that year, Alfred Woodhull, Class of 1856, organized the first “class” reunion, a triennial. He astutely surmised reasonable attendance could be expected, because in that era, anyone who returned to campus for Commencement three years after graduation qualified for an automatic master’s degree (a practice lasting until 1892).

In 1861, a regiment bound for battle in the Civil War passing through Princeton captivated the College’s students with its “skyskreet” cheer, which imitated the sound of fireworks — “sis” for the zooming rocket; “boom” for the explosion; and “ahhhh” as the crowd expressed its pleasure for the resulting light show. At Princeton, the “sis, boom, ah” skyskreet cheer evolved into Princeton’s “locomotive,” where word repetition and increasing speed emulates the sound of a train pulling out from a station. “Tiger” was likely added to the cheer in the late 19th century, when athletic uniforms began consistently using orange and black.

The P-rade officially began in the late 1890s but is actually the merged product of earlier traditions. Beginning in the Civil War era, alumni formally processed to Commencement Day dinner meetings. Then in 1888, Princeton and Yale University began scheduling one of their baseball games at Princeton on the Saturday before Commencement. Since this coincided with class dinners, alumni attendance was high and many classes formally marched to the game at University Field (located at the corner of Prospect Avenue and Olden Street). In October 1896, when the newly renamed Princeton University celebrated its sesquicentennial (150th anniversary), 800 Princeton undergraduates and 2,000 alumni took part in a mile-long procession through the campus and town; most carried an orange torch or lantern, and many classes wore coordinated costumes. Stimulated by the grandeur and organization of this parade, in 1897 all returning classes first joined to march in order to the baseball game. By 1906, a written description of the annual event said, “The Alumni Pee-rade on Saturday afternoon was quite as spectacular as usual; the bands, banners, transparencies, uniforms, and vaudeville features encircling University Field with color and noise.”
During early P-rades, the sole decoration worn by returning alumni was a small badge with class numerals on it. Gradually, classes began to distinguish themselves with creative hats, balloons, and parasols; before long, younger classes wore colorful costumes, carried humorous signs, and often performed comic stunts. In 1912, some of that year’s graduating class dressed in blue denim overalls and jackets to protect their regular clothes from spilled beer stains. One year later, the Class of 1913 adopted white beer jackets as their costume. By 1920, the jackets became a tradition with the addition of unique class logos. To this day, each graduating class designs its own class jacket, worn for the first time during Reunions weekend. Classes typically design new costumes for each “major” quinquennial reunion up until the 25th, when they receive a class blazer. The Association of Princeton Graduate Alumni introduced a Reunions Jacket in 2003 and all graduate alumni, regardless of graduation year, are unified in wearing this jacket each year.

Reunions were cancelled in 1917 and 1918 for World War I, so the “Victory Commencement” of 1919 featured a throng of 5,000 alumni for the largest Reunions and P-rade yet. An even longer “Victory Reunion” P-rade in 1946 following World War II (and the cancelled Reunions of 1943, 1944, and 1945) brought back 7,300 alumni, with each class carrying service flags showing the number of classmates who served and were killed in the war.

In 1947, the Class of 1922 held its 25th Reunion in Holder Hall Courtyard, becoming the first on-campus reunion site. (Previous reunions were held in private homes and rented spaces in town.) But it was not until 1952 that liquor was permitted to be served at the on-campus sites.

Rain has put the occasional damper on the P-rade but only once — in 1953 — did it force a cancellation. Even then, some classes insisted on marching anyway! Over time, P-rades and Reunions increasingly became a family affair, but it was not until the undergraduate body became coeducational in 1969 that women were officially welcome to participate in the P-rade.
From the early- to mid-20th century, the P-rade route began at Nassau Hall, moved across campus to 1879 Arch, then down Prospect Avenue and around University Field to pass the president in his reviewing box. Construction of the EQuad on the site of University Field in the late 1960s changed the end of the route to the new Clarke Field south of Ivy Lane. This era also marked the last Yale-Princeton Commencement baseball game (1966), so the P-rade ending changed to an Alumni Association meeting welcoming the graduating seniors into the alumni body. In the early 1990s, the route was altered again to keep the P-rade entirely on campus — beginning at FitzRandolph Gate, going around Nassau Hall and Cannon Green, then down Elm Drive to finish on Poe Field.

Despite route changes, procession order remains traditional. At 2:00 PM on Reunions Saturday, the Nassau Hall bell tolls and the P-rade Grand Marshal and other dignitaries (including the University president) lead members of the 25th Reunion Class from front campus to Poe Field. The classes then process in descending class order, beginning with the “Old Guard” (classes beyond the 65th Reunion) who ride in golf carts or occasionally walk, always drawing the loudest cheers from spectators. In recognition of his commitment to Reunions, the eldest returning alumnus from the oldest returning class has the special privilege of carrying the Class of 1923 Cane — a black wooden staff topped by a leaping silver tiger. Beginning in 1975, graduate alumni were invited to march between the 24th and 26th reunion classes, a tradition that has continued to this day. Throughout, dedicated alumni known as Marshals maintain order in their distinctive orange “Da Vinci” hats and blue blazers. The P-rade ends when the senior class sprints onto Poe Field, charging past the Reviewing Stand.

In 1996, in celebration of the University’s bicenquiquinque-nary (250th anniversary), a spectacular fireworks display was first held on Saturday night. The thousands of shells, custom soundtrack, and tailored choreography of the 25-minute display quickly became a highlight and annual tradition during Reunions.

Increasing student body size and the inclusion of family members in the P-rade has swelled turnout and lively participation in the ever-more-colorful spectacle. Today, well over 20,000 alumni, family, and friends participate in this annual gathering, and no other university comes close to the pageantry, magnitude, and ceremony of Princeton Reunions.

This summary was prepared by the Committee on Reunions and is adapted from the research and writings of Alexander Leitch ’24, William K. Selden ’34, Daniel N. White ’65, J. T. Miller ’70, and Liz Greenberg ’02.

Centralized Registration and Wristbanding To improve customer service for all alumni returning to Reunions, and to provide more security for wristband distribution, the Office of the Alumni Association has created a centralized wristbanding location for the Satellite Classes of 1972–2007. No changes have been made for the Satellite Classes of 2008–2013 and 1950–1971.

As a reminder, wristbands are needed to enter the major reunion headquarters sites after 5:00 PM. A wristband allows satellite class members and their guests access to the evening entertainment and alcoholic and non-alcoholic beverages, but does not include meals or costumes. Wristbands are not required to attend daytime programming, the One and Only P-rade on Saturday, or the lawn concert and fireworks later that evening.

• Satellite Classes of 1972–2007 and their guests register, sign the class ledger book, and pick up a reunion button at Baker Rink. After being wristbanded, satellite alumni and guests should proceed to their corresponding major reunion headquarters site. If staying on campus, housing assignments and keycards are available at the headquarters site.
• Graduate Alumni and their guests register at the APGA headquarters at Cuyler.
• Old Guard and their guests register at Forbes College.

Computing Resources During Reunions weekend, Princeton’s Office of Information Technology (OIT) provides wireless Internet access to all campus visitors. The service is free of charge and requires no registration. For those who come without their personal laptops, several conveniently located computer facilities (“clusters”) are available to you. Your use of the Visitor Wireless Service constitutes your agreement to abide by the University’s Acceptable Use Policy, posted at princeton.edu/itpolicy. If you do not agree to abide by that policy, do not connect to this network.

Wireless Networking Wireless networking is available in nearly all of Princeton’s buildings, and in many outdoor spaces such as Cannon Green. Visitors should connect to the network called “puvisitor.” A printable map that shows wireless coverage on campus can be found at princeton.edu/wirelessmap.

Getting Computer Help While on Campus The OIT Support and Operations Center (also known as the “Help Desk”) is open 24 hours a day, 7 days a week, to help with computing and networking problems. To speak with a Help Desk consultant on the phone, call 609-258-HELP (4357) and press option 1. For online chat, go to the
OIT homepage (princeton.edu/oit) and click on the link on the right. You can also send email to helpdesk@princeton.edu.

Computing Facilities Available during Reunions
There are several computing facilities (“clusters”) available for your use during Reunions weekend. These machines will have a special Reunions configuration and will not require you to log in. You can simply visit one of the facilities listed below and gain access to the Internet. You can use these computers to check your email (provided you have a Web-accessible email interface), browse the Internet, and use Microsoft Office.

Reunions computer clusters will be located as follows:
- McCosh Hall, Room B59
- Friend Center, Rooms 005, 007, and 009
- All OIT workstations in Frist

For more information on software available in these clusters, please visit princeton.edu/clusters.

Food and Beverage Options
For Frist Campus Center and other café operating hours during Reunions, visit princeton.edu/us/dining/hours/reunions-dining-hours.pdf

Food Trailers
Friday and Saturday, 10:00 PM to 1:00 AM, U-Store Courtyard.

Refer to the P-rade map for concession stand locations.

Housing
Dormitory rooms can only be unlocked by an individual with a keycard assigned to Reunions campus housing. All exterior dormitory doors will be locked between the hours of 2:30 AM and 7:00 AM and will only be accessible with a keycard. Please note: The door will automatically lock when the door is closed so remember to bring your keycard when you leave your room. For lockouts, please contact a member of the student crew at the headquarters site at which you received your keycard. For lost keycards, please go to Public Safety, located at 200 Elm Drive, for a replacement keycard. Identification is required. All keycards and linens must be returned on Sunday by Noon to your headquarters checkout. Keycards will be deactivated at Noon.

Lightning Storms: Emergency Preparedness
Lightning is the second leading cause of direct weather deaths in the United States (after floods) and results in more fatalities each year than tornadoes and hurricanes combined. Given the random nature of lightning strikes, absolute protection cannot be guaranteed to any individual or group. Individuals are ultimately responsible for their personal safety and should take appropriate action when threatened by lightning. Adults must take responsibility for the safety of children in their care during thunderstorm activities. However, awareness of certain lightning safety guidelines can greatly reduce the risk of injury or death.
1. Identify in advance a location (e.g., building, bus, personal automobile) that would be safe during a thunderstorm. Locations that offer little or no protection from lightning include tents, golf carts, or open shelters, such as parking garages. Recommended locations for Reunions participants include dormitory common spaces in the headquarters sites, Alexander Hall, the University Chapel, and Frist Campus Center.

2. Public Safety will notify your reunion if a bad storm is expected and if evacuation of the headquarters site is recommended. When you first see lightning or hear thunder, go to the safe location immediately. Lightning often precedes rain; so don’t wait for the rain to begin before suspending activities.

3. If you are caught outdoors, avoid high ground, open spaces, and water. Avoid all metal objects including electrical wires, fences, machinery, motors, and power tools. Avoid standing under Reunions tents; while they provide protection from the rain, they do not provide protection from lightning. If lightning is striking nearby when you are outside, you should:
   a. Crouch down and put your feet together. Place your hands over your ears to minimize hearing damage from thunder.
   b. If part of a group, spread out. You should avoid being in close proximity (minimum of 15 feet) to other people.

4. Suspend outdoor activities for at least 30 minutes after the last observed lightning flash or thunder clap or until your reunion receives the “All Clear” message from Public Safety.

5. Persons injured by a lightning strike do not carry an electrical charge and can be handled safely. Apply First Aid procedures to a lightning victim if you are qualified to do so. Call Public Safety Emergency at 609-258-3333.

Lost and Found If you discover you have lost an item over the weekend, please check first with the student crew at your major reunion headquarters. The Office of the Alumni Association crew also collects lost and found items at Maclean House (609-258-3468). Shortly after Reunions, lost and found items will be moved to Public Safety and registered. You can check with Public Safety regarding your item at 609-258-1000.

Medical Services If you or your companions need assistance, medical help is available for bee stings, cardiac symptoms, or anything in between. Please program your cell phone with Public Safety’s emergency number 609-258-3333, or dial 9-1-1 from any blue light phone or campus landline. Dialing 9-1-1 on a cell phone routes to the nearest emergency call center and may slow emergency response time.

Orange Key Campus Tours Tours will be offered Thursday and Friday at 11:15 AM, 1:00 PM, and 3:30 PM, leaving from the Admission Reception Area in Clio Hall (top floor).
Parking All entrances to the University will be closed to vehicles during Reunions. To access the campus shuttle, park cars in Lots 20/32 or Lot 21, next to Jadwin Gym. Accessible parking is available in Lot 16 with access to ADA-compliant shuttles. Reserved parking is available in Lot 23 for the Old Guard and 65th Reunion. Please refer to the foldout 2014 Reunions Headquarters and Parking map for details.

P-rade The P-rade begins at 2:00 PM on Saturday. Alumni, spouses, and their children are welcome to march. Be sure to check the P-rade map in this booklet, in your Reunions issue of the *Princeton Alumni Weekly*, or on posters at your major reunion headquarters site and around campus for the route and staging area for your class. Orange signs will also be posted along the route — or you can look for your classmates in their reunion costumes. Refer to the P-rade map for concession stand locations.

This year’s finale will be on Poe-Pardee fields. Parents of members of the Class of 2014 are encouraged to sit on the bleachers reserved for them at the Poe-Pardee finale for the best views and photos. At the end of the route, please help keep the P-rade moving!

Here are some additional suggestions that could help your major reunion win this year’s Class of 1945 P-rade Trophy:

- Get to your staging area by 1:45 PM
- Wear your reunion costume
- Keep up with your class! Follow the banner and keep up with the people in front of you
- Carry very young children or use a stroller
- Keep moving while you are cheering the classes and the APGA along the way and at the Reviewing Stand

Public Safety

Location:
The Department of Public Safety (DPS) is located at 200 Elm Drive, on the southern end of main campus.

If you are driving: Upon arriving on main campus through Faculty Road, proceed north on Elm Drive through both traffic circles and come to a stop at the officer kiosk. The kiosk at the south end of campus is staffed 24 hours a day, 7 days a week. The officer will direct you to continue north approximately 500 feet and turn left into the second driveway.

Hours:
DPS operates 24 hours a day, 7 days a week. The Communication Center and Welcome Desk on the first floor at 200 Elm Drive are staffed 24 hours a day, 7 days a week.

Contact:
Non-emergencies: 609-258-1000
Immediate emergencies: 609-258-3333

On-Campus Emergencies:
Dialing 9-1-1 from any University landline phone connects you to the Department of Public Safety’s emergency line. If
you are on campus and dial 9-1-1 from your cell phone you will automatically be routed through the state-approved 9-1-1 Switched Telephone Network and be connected to the appropriate state-approved Public Safety Answering Point (PSAP), which would, in most situations, be the Princeton Police Department. If you want to reach DPS quickly and easily, we suggest you program your cell phone with 609-258-3333.

There are 23 blue light communication towers throughout campus and 42 blue light phones. With the push of a button the user can communicate directly with the DPS Communication Center. This enhanced technology also allows DPS to send out emergency broadcast alerts (e.g., seek shelter due to an impending lightning storm) as needed. The location of each tower is digitally displayed to the DPS Communication Center.

**Reunions Mobile** Throughout Reunions, you can quickly access helpful information — from event schedules to alerts, from transportation logistics to P-rade staging sites. Just navigate to m.princeton.edu/reunions on your smartphone or other mobile device.

**Reunions Rover** In addition to providing campus shuttles and hotel buses, the University is introducing a new program called Reunions Rover — a student-driven golf cart transport service for alumni and guests with mobility issues. Overseen by University Services, the rovers will be clearly marked and will make continuous loops around campus. Please feel free to wave the student driver down if a ride to your destination would be helpful.

**Transportation — Campus Shuttles** The Office of the Alumni Association provides a shuttle service to help you move around the campus and from the main parking lots (see 2014 Headquarters and Parking map foldout).

There are three campus shuttle routes:

- Central Line (Main Campus)
- East Line (Lot 21)
- Forbes Line

Note that because of special events, area construction, and traffic, shuttles may need to be rerouted and routes combined. Real-time shuttle tracker is available through Reunions Mobile, m.princeton.edu/reunions.

The shuttle service hours are:

- Thursday: Noon to Midnight
- Friday: 8:00 AM to 2:00 AM
- Saturday: 8:00 AM to 2:00 AM*
- Sunday: 8:00 AM to noon

*Limited service during the P-rade between 2:00 PM and 5:30 PM

**Transportation — Hotel Shuttles** The bus stop for hotel shuttles will be in Lot 23, and drop off will be at the West Garage (near Baker Rink). Hotels serviced by this program are available Thursday afternoon through Saturday.
Route 1 North of Princeton:
Route A: Doubletree, Sonesta ES Suites, and Hampton Inn
Route B: Marriott, Forrestal
Route C: Westin, Forrestal
Route D: Holiday Inn Express, Crowne Plaza, and Holiday Inn

Locomotive Cheer

Princeton’s first cheer, “Hooray, hooray, hooray! Tiger Siss-boom-ah, Princeton!” was adapted from the “skyrocket” cheer of the Seventh Regiment of New York City as they passed through Princeton on their way to Washington a few days after the outbreak of the Civil War. The cheer was intended to simulate the launch, explosion, and reaction to a firework.

Sometime in the 1890s, the skyrocket cheer developed into the “locomotive,” Princeton’s longest-used and most distinctive cheer, which starts slowly and picks up increasing speed, suggesting the sound of a locomotive:

\[
\begin{align*}
\text{Hip! Hip!} \\
\text{Rah, Rah, Rah,} \\
\text{Tiger, Tiger, Tiger,} \\
\text{Sis, Sis, Sis,} \\
\text{Boom, Boom, Boom, Ah!} \\
\text{Princeton! Princeton! Princeton!}
\end{align*}
