Cruising the Nile aboard the exclusively chartered Sun Boat III

FEATURING AN EXCURSION TO ABU SIMBEL

HTTP://ALUMNI.PRINCETON.EDU/MAIN/EDUCATION_TRAVEL/PRINCETON_JOURNEYS/
DEAR PRINCETONIAN:

FOR THE PAST THREE YEARS Princeton Journeys has been pleased to offer the iconic Egypt of the Pharaohs program along the Nile, which was annually sold out and considered by many participants as “the trip of a lifetime.” Given Egypt’s prominence on the world stage since its peaceful revolution in early 2011, we have taken the opportunity to update our program to complement the investigation of the ancient pharaonic civilization with in-depth conversations about life in contemporary Egypt.

Study Leader Bob Tignor, Princeton’s Rosengarten Professor of Modern and Contemporary History Emeritus, is the perfect choice to lead this revised program, as he brings a wealth of expertise in the modern history of Egypt and the Arab world. Professor Tignor’s insights will be enhanced by expert commentary from Egyptologist Tarek Swelim and Egyptian guide Fetiche Posma-Zaalouk, both overwhelmingly praised by participants on our previous three Nile journeys.

Criterion Travel, our tour operator, is holding prices to 2010 levels, which means a savings of $1,000 to $1,500 per person off the original 2012 prices. Given the intimate nature of Sun Boat III and her ability to accommodate only 28 travelers, we urge you to book your space now.

Please contact the Princeton Journeys team today at journeys@princeton.edu or (609) 258-8686.

Sincerely,

Leslie J. Rowley
Executive Manager, Princeton Journeys
Office of the Alumni Association
Princeton University

“The things we enjoyed? Traveling with a group with common interests. Having guides and study leader always available. The location and the Egyptian people. Seeing so much and understanding what we were seeing…We had a marvelous experience and want to thank the entire staff for making us feel so welcome.”

BRUNO AND GAYLE FIABANE, participants on the January 2011 Egypt of the Pharaohs program

“Overall outstanding—probably the best tour we ever took, bar none.”

DICK WOODBRIDGE ’65, who traveled with his wife Karen on the January 2011 Journey
ROBERT TIGNOR, the Rosengarten Professor of Modern and Contemporary History Emeritus, will serve as Princeton Study Leader for this program. Professor Tignor is an expert in African history and has done research on British colonialism and its aftermath, world history, and the modern histories of Egypt, Nigeria, and Kenya. He joined Princeton’s History Department in 1960 after earning his Ph.D. at Yale University. He has been closely involved in the department’s efforts to expand its teaching and research beyond Europe and North America and was co-author of the important *Worlds Together, Worlds Apart: A History of the Modern World* (2002). His new volume *Egypt: A Short History*, published in 2010 by Princeton University Press, has received critical praise. On our journey, Professor Tignor, who has lived in Egypt at different times over the course of five decades, will discuss with participants the Nile River and the Egyptian people’s relationship to it; European influences on Egypt over the ages; military leadership of the country in modern times; and, of course, Egypt’s future.

FETICHE POSMA-ZAALOUK is a noted Egyptologist specializing in the culture, history, and architecture of Ancient Egypt as well as issues relating to women and village life. A 1972 graduate of Helwan University in Cairo, she has been guiding educational groups and special visitors for many years. She is passionate about her native country’s long and distinguished history and continues her study and research.

TAREK SWELIM, a native Egyptian, is an expert on the art, architecture, and history of the Middle East. Dr. Swelim earned his BS from Helwan University in Cairo, an MA in Egyptology at the American University, Cairo, and his Ph.D. at Harvard University. In 1979, he started his career by guiding and lecturing to academic groups in Egypt. In 1994, he began leading tours throughout the Middle East as well.

“IIt was an outstanding trip and worth every penny. We both agreed this truly was a ‘trip of a lifetime’ for many reasons. It will be hard to top!” JIM AND JOAN ARDREY P92 P94, GREENWICH, CT
evening gather in a private Egyptian home and meet locals at a welcome reception and dinner. MENA HOUSE OBEROI (B, L, D)

**SAQQARA AND DASHUR  
Friday, January 6**
Journey to the unique step pyramid of Saqqara, a precursor to the grand Giza pyramids. Visit the underground galleries where hieroglyphs cover the walls from floor to ceiling depicting daily life in Egypt’s 5th millennium B.C. After lunch, study the bent pyramid at Dashur. Return to the hotel and relax. This evening is free for independent pursuits. MENA HOUSE OBEROI (B, L)

**CAIRO AND LUXOR  
Saturday, January 7**
Fly to Luxor. Upon arrival, explore the fabulous Karnak Temple complex, the largest ancient religious site in the world. Wander among the enormous 134 stone columns, and marvel at the myriad well-preserved obelisks telling stories of the ancients. This evening visit the Luxor Temple under a full moon. Then gather for a welcome aboard dinner on your private yacht. SUN BOAT III (B, L, D)

**LUXOR AND ABYDOS  
Sunday, January 8**
Leisurly cruising this morning allows for observation of the activities of people at work in villages along the Nile riverbanks. After lunch, visit Abydos, a pilgrimage site for worshippers of the pharaohs of the Ancient Kingdom. Dedicated to the Lord of the Netherworld, Osiris, the temple walls are handsomely carved with hieroglyphs depicting the lives of the kings. SUN BOAT III (B, L, D)

**DENDERA AND LUXOR MUSEUM  
Monday, January 9**
Explore the temple complex of Dendera, dedicated to Hathor, the goddess of love, music, wine, and procreation. Cruise back to Luxor. Upon arrival, visit the magnificent Luxor Museum collection including artifacts from Luxor Temple, King Tut’s tomb, and a partial reconstruction of the Karnak Temple walls. Return to your elegant yacht, Sun Boat III, for an afternoon at leisure, or spend the balance of the day in search of treasures at the Luxor bazaar. SUN BOAT III (B, L, D)

**THEBES  
Tuesday, January 10**
In the cool early morning darkness cross the Nile to Thebes, ancient capital of Egypt. Explore evocative tombs in the Valley of the Kings, hidden for thousands of years. Visits to recent discovery sites and special access have been arranged. Continue to the grandiose mortuary temple dedicated to Hatshepsut, Egypt’s iconic female pharaoh. The temple took 15 years to construct and consists of three colonnaded terraces situated in the Valley of the Kings with a magnificent cliff backdrop. At her death, jealous successors obliterated most of her images in an attempt to remove her peaceful reign from historical records. SUN BOAT III (B, L, D)

**EDFU  
Thursday, January 12**
After a morning of cruising, arrive at Edfu to explore the best-preserved ancient temple in Egypt. It was dedicated to Horus, the ubiquitous falcon-headed god of the Egyptians. The main building includes a great Hypostyle Hall and, just outside, an entrance colonnade that remarkably still has visible, original, colored reliefs. Reboard your yacht and cruise to Aswan. SUN BOAT III (B, L, D)

**VALLEY OF THE KINGS  
Wednesday, January 11**
Today, explore the tomb of boy-king Tutankhamun, discovered in 1922 by Englishman Howard Carter. Emptied of its spectacular treasures, many are now displayed in the Cairo Museum. Enter specially accessed tombs nearby and the newly restored tomb of Ramses VI. At the temple of Medinet Habu, second only in size to Karnak, see colossal statues of Ramesses III and elegant reliefs depicting battle and victory scenes. SUN BOAT III (B, L, D)

**ASWAN AND PHILAE ISLAND  
Friday, January 13**
After the Russian-led Aswan Dam project got underway in the 1960s, archaeologists and citizens from all over the world dismantled the Temple of Isis at Philae Island and relocated it to higher ground.
Now a UNESCO World Heritage Site, the island has numerous ruins including the Kiosk of Trajan. After a visit to the island, drive to view the engineering juggernaut of the still controversial High Dam, which forever changed Egyptians’ way of life. At dusk, board a traditional felucca sailboat and thread among the islands of the Nile. Enjoy the farewell dinner, savoring your last evening aboard. **SUN BOAT III (B, L, D)**

**ABU SIMBEL AND CAIRO**

**Saturday, January 14**

Disembark from the **Sun Boat III** in the early morning for a short flight to the astounding monument at Abu Simbel, located in former Nubian lands. At the twin temples built by Pharaoh Ramses II, huge statues depict him and his favorite wife, Nefertari. During construction of the Aswan High Dam, the temples were threatened with submersion under the rising waters of Lake Nasser. Between 1964 and 1966, a project sponsored by UNESCO and the Egyptian government dismantled both temples and reconstructed them 65 meters higher than the original site. Late this afternoon, fly to Cairo and enjoy an evening at leisure.

**FOUR SEASONS FIRST RESIDENCE (B, L)**

**CAIRO**

**Sunday, January 15**

Immerse yourself in the riches of the incomparable Museum of Egyptian Antiquities, repository of thousands of important artifacts, including the cache of gold found in Tutankhamun’s tomb. After lunch, concentrate on Islamic Cairo with a focus on significant Islamic monuments. Feel the reverent atmosphere at the oldest surviving Muslim place of worship, Ibn Tulun Mosque. Gather this evening for a festive farewell dinner. **FOUR SEASONS FIRST RESIDENCE (B, L, D)**
