Dear Princetonian,

Can't decide which is the more romantic mode of transportation—river or rail? You need not decide on this latter-day Grand Tour through four European countries, on the Rhine River, and aboard three legendary railways.

Aboard the specially chartered AMADEUS PRINCESS from Amsterdam to Basel, you will trace a course past castles perched atop lofty crags, idyllic villages of half-timbered houses, terraced vineyards, and soaring Gothic cathedrals. Travel through the Western heart of the continent through The Netherlands, Germany, France and Switzerland, cruising the most scenic sections of the fabled Rhine River. Visit three great UNESCO World Heritage sites during a private cruise along Amsterdam's canals, a visit to Cologne's magnificent Gothic cathedral and a tour of the lovely Alsatian city of Strasbourg.

After the seven-night cruise, spend two nights each in Zermatt and Lucerne, Switzerland, ride aboard three legendary railways—the Gonergrat Bahn, for breathtaking views of the Matterhorn; the Glacier Express from Zermatt to Lucerne; and the Pilatus Railway, the world’s steepest cogwheel railway—and enjoy a scenic cruise on Lake Lucerne.

Space on this program, shared with members of Smithsonian Journeys, is limited. Contact the Princeton Journeys team at (609) 258-8686 or journeys@princeton.edu today to reserve your spot.

With kind regards,

Yair Mintzker, Assistant Professor of History, will serve as Princeton Study Leader. A specialist in German-speaking Central Europe from the 17th to 19th centuries, Professor Mintzker’s broad interests include urban history as well as intellectual, cultural, and political history of Early Modern and Modern Europe. During this journey he will draw on his expertise in the defortification of German cities to bring the stops along the way to life. Born and raised in Jerusalem, Professor Mintzker received his M.A. in history from Tel-Aviv University and his Ph.D. from Stanford University.
Depart the U.S. for Amsterdam. Following your morning arrival, enjoy a private cruise along Amsterdam's delightful canals lined with 16th- and 17th-century gabled row houses, which have been designated a UNESCO World Heritage site. Embark the deluxe M.S. AMADEUS PRINCESS and join fellow participants this evening for the Captain’s Welcome Reception.

Amsterdam
Friday, June 15
This morning, enjoy a guided visit to the Rijksmuseum, which houses some of The Netherlands’ most important works of art, including Rembrandt’s world-famous The Night Watch.

After lunch on board, enjoy time at leisure in Amsterdam. The ship departs late this evening.

Arnhem
Saturday, June 16
In the midst of unspoiled forest, marsh and sand dunes in the picturesque De Hoge Veluwe, The Netherlands’ largest national park, sits the world-class Kröller-Müller Museum. Lauded for its chronological collection of Van Gogh’s masterpieces, the museum also exhibits works by Picasso, Renoir and Manet, as well as captivating late-19th- to 21st-century art sculptures in its unique 60-acre sculpture garden.

Spend the afternoon cruising along the Rhine River.

Cologne, Germany
Sunday, June 17
Enjoy a morning cruising.

One of Germany’s most ancient cities, Cologne was founded as a Roman military outpost in 38 B.C. From the time of Charlemagne to present day, it has flourished as the Rhineland’s foremost mercantile and religious center. The city is the birthplace of the world-famous eau-de-cologne perfume. The historic Kolner Dom (cathedral) is a UNESCO World Heritage site and the finest example of High Gothic architecture in Germany. Explore the Altstadt (Old Town) and visit the cathedral, for which construction began in 1248 and lasted for six centuries. Among its artistic treasures are the Milan Madonna and the Shrine of the Three Holy Kings. Conclude your tour with a visit to the Wallraf-Richartz Museum, one of Germany’s top art museums, providing a wonderful collection of western European art from the Middle Ages to the 19th century.

Mainz
Monday, June 18
Sail through the Rhine River Valley, a UNESCO World Heritage site, legendary for its scenery and riverside architectural treasures. This morning, cruise past the medieval castles, tranquil villages and terraced vineyards, and see the famous Lorelei Rock—ancient lore holds that a beautiful maiden lured sailors here with her enchanting song.

This afternoon, arrive in Mainz, the gateway to the Rhineland. Mainz is a modern city with an ancient heart—settled as a Celtic encampment, it later became a Roman fort city and part of the northernmost frontier of the Roman Empire. Visit the 1000-year-old Roman Catholic Kaiser Dom; its six Romanesque red sandstone towers dominate the city center. Stroll around the colorful Renaissance fountain in the old medieval Marketplatz. Tour the Gutenberg Museum, which honors the city’s most famous son. See two original Gutenberg Bibles and replicas of 15th-century printing presses.

Mannheim (Heidelberg)/Schwetzingen or Speyer
Tuesday, June 19
This morning, arrive in Mannheim and depart for Heidelberg, where luminaries such as Goethe and Schumann came to experience the

intellectual atmosphere of Heidelberg University, Germany’s oldest, founded in 1386. To many on the “Grand Tour” of Europe, fashionable in the 18th and 19th centuries, Heidelberg was Germany. Nestled in the densely wooded valley of the Neckar River, this city epitomized the spirit of German Romanticism. Heidelberg has preserved its authentic Renaissance-Baroque character, including the nine arches of the famous Alte Brücke (Old Bridge) that still span the Neckar River. Visit imposing Heidelberg Castle, a magnificent, 13th-century edifice perched above the river. The stately ruins preserve Heidelberg’s links to its medieval past.

This afternoon, visit Schloss Schwetzingen, originally a 17th-century hunting lodge, and its ornate garden. Alternatively, enjoy a leisurely walk in Speyer, dominated by its Romanesque Cathedral and 180-foot-tall, medieval Altpörtel (old gate). Sail this evening to Strasbourg.

**Strasbourg, France**

**Wednesday, June 20**

The lively Alsatian city of Strasbourg fuses the Old and the New Europe. The Old City, a UNESCO World Heritage site, is a treasure trove of medieval houses, and the charming Ponts-Couverts, covered bridges flanked by watchtowers at each end, span the picturesque canals. It was in Strasbourg that John Calvin first established a reformed parish, and the beautiful Protestant Church of St-Pierre-le-Vieux testifies to the city’s history of religious tolerance. See the graceful sandstone Catholic Cathedral of Notre Dame, a Romanesque-Gothic masterpiece that according to the poet Goethe, rises “like a most sublime, wide-arching tree of God.” In the Petite-France district, the historic millers’, tanners’ and fishermen’s quarter along the Ill River, the fairy-tale look of a past era lives on, while nearby, 27 nations engage in spirited debates in the European Union Parliament.

Enjoy lunch aboard ship. The afternoon is free for independent pursuits. This evening, attend the Captain’s Farewell Dinner on board.

**Basel, Switzerland/Gruyères/Zermatt**

**Thursday, June 21**

Disembark in Basel and enjoy a scenic transfer across the rolling Swiss countryside to the untouched medieval village of Gruyères, dominated by its 1,000-year-old namesake castle.
The residents of Gruyères still live close to the land and take justifiable pride in their world-famous farm-made cheeses. After lunch, trace the course of the mighty Rhône River from the subtropical lowlands to the snow-crowned heights of the Alps. Just as the scenery changes, so too, does the language, as French gives way to Schwyzerdütsch (Swiss German). In the village of Täsch, board a shuttle train for the brief journey to the Alpine resort of Zermatt, dramatically located beneath the craggy pinnacle of the iconic Matterhorn. Check into the chalet-style HOTEL ALEX for dinner and an evening at leisure.

**Zermatt**  
**Friday, June 22**  
Today, travel aboard the famous Gornergrat Bahn, the highest cog railway in Europe. Ascend through forests of pine and larch and cross meadows ablaze with wildflowers to the 10,000-foot-high Gornergrat, stopping en route at Riffelberg for the panoramic view of Monte Rosa and the majestic Matterhorn. From the observatory atop the Gornergrat, look out over sweeping vistas of Europe’s most breathtaking Alpine scenery—the serrated profiles of the Matterhorn, the Liskamm and Dufourspitze mountains and vast Gorner Glacier. Following lunch, return to Zermatt at your leisure.

**Zermatt/Andermatt/Lucerne**  
**Saturday, June 23**  
Board the fabled Glacier Express, “the world’s slowest fast train,” and travel through the heart of the Alps, where the natural beauty of the mountains rivals the skill and ingenuity of the engineers who created this rail route across Europe’s most challenging terrain—a task requiring the construction of 291 bridges and 91 tunnels. Arrive in Andermatt early this afternoon. After lunch, travel by motorcoach to Lucerne, and check into the lakeside deluxe HOTEL SCHWEIZERHOF.

**Lucerne**  
**Sunday, June 24**  
A long-favored destination for travelers, Lucerne is set against the backdrop of its deep blue lake and the rugged grandeur of Mounts Pilatus and Rigi. Begin your morning walking tour in the Weinmarkt (Wine Market), surrounded by historic burghers’ houses. See the Hofkirche (Court Church), one of the finest examples of Swiss Renaissance architecture, and the Lion Monument, dedicated to the Swiss Guards who gave their lives defending Louis XVI during the French Revolution. Walk across Lucerne’s most famous landmark, the delightful, 14th-century wooden Chapel Bridge, which spans the Reuss River and is adorned with medieval paintings.

Ascend Mount Pilatus by panoramic gondola to its 7,000-foot summit for a magnificent 360-degree panorama of central Switzerland’s mountains, peaks, forests and lakes. Enjoy lunch in a summit restaurant and free time. Board the Pilatus Railway, the world’s steepest cogwheel railway, then descend more than 5,300 feet in

Towering spires crown Cologne’s majestic Kölner Dom (cathedral), one of the finest Gothic structures ever built.

The unmistakable profile of the Matterhorn’s dramatic ice-sculpted summit presents an image of alpine splendor and majesty that has inspired poets and artists for centuries.
Lucerne/Zurich/U.S.
Monday, June 25
Following breakfast, transfer to Zurich for your return flight to the U.S.

Amsterdam’s charming bridges and canals are a testament to the brilliant city planning in its Golden Age.

Amsterdam's charming bridges and canals are a testament to the brilliant city planning in its Golden Age.
All aboard will enjoy the Pilatus Railway, which incorporated groundbreaking design to become the world’s steepest cog railroad upon its completion in 1889.

**Swiss Alpine Railways Marvels of Engineering**

Superlatives that describe not only Switzerland’s majestic 14,000-foot-high mountain peaks, flowing streams, cavernous gorges and crystalline glaciers, but also three of the world’s great cogwheel railways—the panoramic Glacier Express, the scenic Gornergrat Bahn and the dramatic Pilatus Railway—and the ingenuity and engineering achievements it took to create them. Appreciate the visionary work and vast scope of these magnificent railways as you experience the sublime majesty of the iconic Alps from incredible perspectives up-close.

The Gornergrat Bahn is Switzerland’s oldest (since 1898) electrified cog railway. In the brief span of seven miles, you will climb 4,800 feet from Zermatt to the lofty Gornergrat. En route, look for stunning views of the great Matterhorn, hanging glaciers and the robin’s-egg blue waters of mountain lakes. Lucerne’s Pilatus Railway, completed in 1889, offers breathtaking bird’s-eye views of Swiss farms and coniferous forests during its three-mile run from the shores of Lake Lucerne to the summit of Mount Pilatus. Its vertical ascent of 5,344 feet over a grade as steep as 48 percent is highlighted by its stunning 360-degree views.

No feat, however, required greater skill and determination than the laying of the track for the Glacier Express in 1930 across the spine of the towering Alps. Enjoy this spectacular and leisurely journey showcasing unmatched views of the Swiss countryside: weathered chalets and mountainside farming hamlets, picturesque trails dotted with hikers, livestock grazing on green grasses, and ice-blue snow-capped mountains. A true engineering marvel, the railway penetrates the mountain barrier separating the cantons of Valais and Uri through the nine-and-one-half-mile-long Furka Tunnel and crosses arched stone bridges that span the tumbling headwaters of the rivers Rhine and Rhône.
