

FOREVER PRINCETON Making a Planned Gift

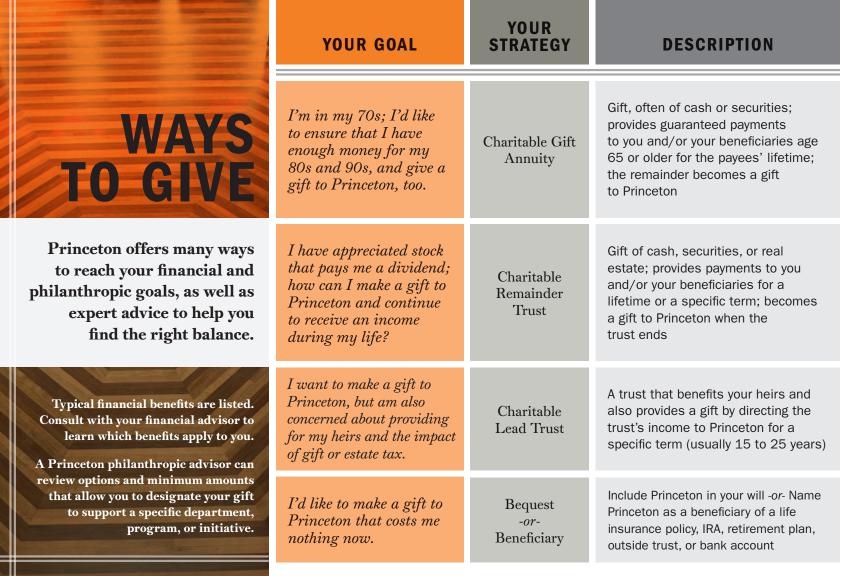

When you make a planned gift to Princeton, your generosity has an impact far beyond your lifetime. Your gift supports generations of students whose lives will be forever changed by their Princeton experience.

There are many ways you can make a gift that will cost you nothing today, or help you make a tax-wise investment in both your future and the future of the University. You can support Princeton's mission by:

- naming Princeton as a beneficiary of an IRA, retirement plan, insurance policy, or bank account
- creating a charitable trust or other life income gift
- including Princeton in your will or living trust

A PLANNED GIFT TO PRINCETON IS ONE THAT LIVES FOREVER.

GIVING OPPORTUNITIES

GIFTS THAT COST NOTHING TODAY

- A **bequest** is a gift that comes to Princeton after your lifetime. Through a bequest, you can direct a specific dollar amount or assets to the University. Or, you can direct all or a percentage of the remainder of your estate after your other beneficiaries have received their inheritances and estate-related expenses have been paid.
- No will is necessary to designate the University as a **beneficiary** of your IRA, retirement plan, life insurance, or bank account.
- The following bequest language can be used in your will: I give and bequeath to the Trustees of Princeton University, a New Jersey not-for-profit corporation, the sum of _____ Dollars {or all the rest, residue, and remainder of my estate} to be used for the purposes of the University at the discretion of its Board of Trustees.

The University's tax ID number (EIN) is 21-0634501.

GIFTS THAT PAY YOU AN INCOME

- A Charitable Remainder Trust (CRT) or Charitable Gift Annuity (CGA) can diversify your portfolio, increase your income, reduce or defer capital gains tax, and provide a federal income tax charitable deduction. Many donors use the payments to fund their annual gift to the University, or to support a University priority during their lifetime.
- A **Deferred Charitable Gift Annuity** (DCGA) is another way to provide yourself and/or your beneficiaries with an income stream. Starting at age 55, DCGAs may be established with rates set for future payments; payments can begin as early as age 65.
- If your 50th or 55th, 60th, 65th, 70th or more Reunion is on the horizon, receive Annual Giving major Reunion class credit for life income gifts through Princeton's Annual Giving Legacy Program. Gifts made in the form of a charitable remainder unitrust (fluctuating income) or a charitable gift annuity (fixed income) are eligible for AG class credit.
