# Alumni Association Goals & Metrics

- Goal: **Engage as many alumni as possible** in the 200th celebration throughout the Tigerverse, both in-person and virtually, and both on-campus and off.
- Key Performance Indicators (KPIs) include:
  - Alumni participation in 200th celebration activities
  - Increased alumni usage of TigerNet

## Regional Association Goals & Metrics

- **Increase alumni engagement above the current level in your region, including outreach to non-participants.**
- Funding is available for new (or “new to you”) and creative efforts to inspire alumni engagement both virtually and in-person.
- Measurements for success include new member participation, event attendance, email opening and click-through rates, dues payments, volunteer hours, and increased TigerNet usage.
- Any activity should be executed primarily, if not entirely, by alumni volunteers.

## What exactly is “engagement”?

**Incremental Engagement** – reaching alumni who haven't recently participated

**Cross-Pollination** – connecting different groups/demographics/geographies

**TigerNet Adoption**

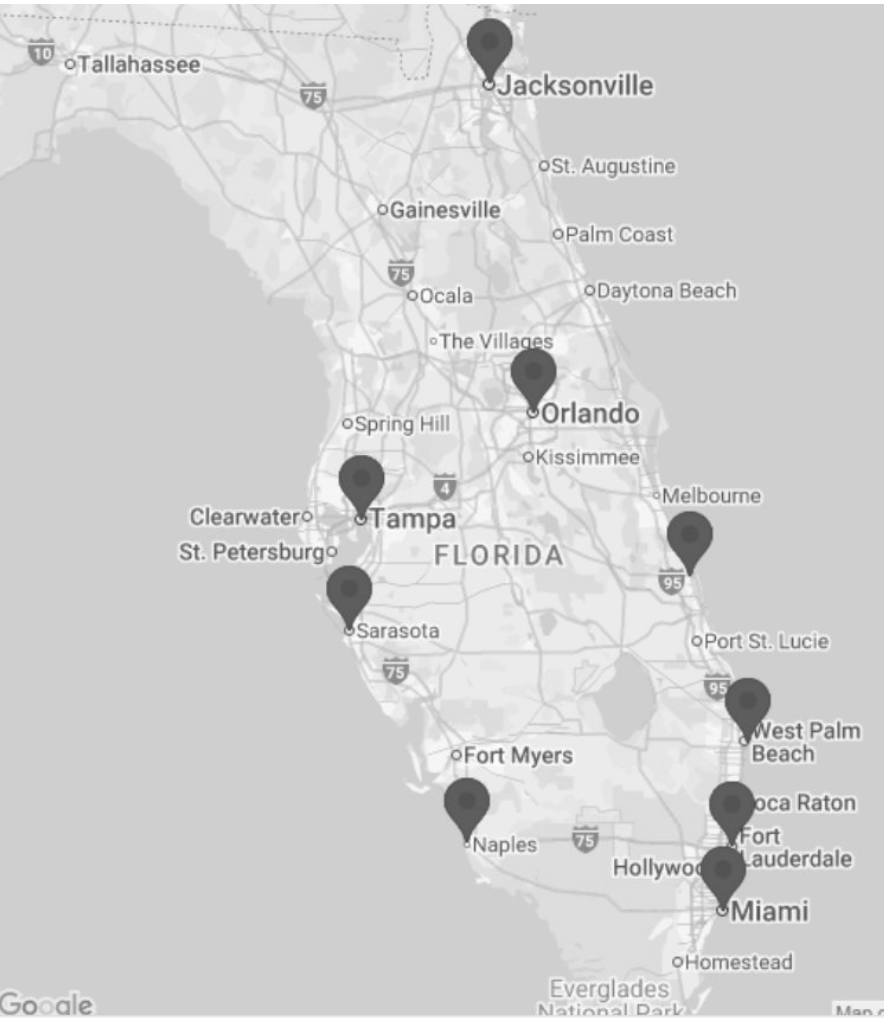

- Count profile updates before/after your event (ask attendees to update at event)
- Measure level of discussion forum activity before vs. after your initiative

**Event Participation** – who attends & how many; survey attendee satisfaction

**Non-Event Initiatives**

- Number of groups that download/use a template you created
- Number of digital assets collected (documents, photos, interviews)
- Distribution reach (e.g., 100 books distributed to alumni + libraries)

# Step 1: Assess where your region is now (metaphorically)

## New or Dormant

→ No website or social media

## Moderately Active

→ Have website or social media

→ 1 or 2 events yearly

## Very Active

→ TigerNet website

→ Regular communications

→ Several events yearly

# Step 1a: Enlist help if you need it

- **Recruit volunteers** – use the Alumni Directory to find Tigers with particular skills or past experience volunteering for the University, or put out a call for regional volunteers to brainstorm and plan 200th engagement. **If you're going solo, that's ok too!**
- **Create or expand your regional TigerNet website** – the TigerNet Tech team can help with next steps
- **Not sure about how to proceed?** Talk to your CORA liaison and other regional leaders!

## Step 2: Use University resources to support your activities

**Ideas** – Consult past T-Quads and the TigerNet Forum for Regional Association Leaders to see what other clubs have done and are doing, and to ask questions and get feedback

**Tools** – The 200th website has an interactive map of events, a toolkit of graphics for your use, 200th pins to distribute at your events, and links to 200th U-store swag

**Funding!** Spark Funding is available to help take your alumni engagement to the next level – details are on the 200th website

# Step 2 cont'd: Find ideas in past T-Quads and the Leaders Forum

## Step 3: Apply for Spark funding if appropriate

- Does the event or initiative **engage** alumni in new ways, or ways that are new to your region?
- **Basic requirements:**
  - Clear connection to the 200th anniversary (celebratory elements and/or strategic 200th anniversary goals)
  - Defined success metrics or KPIs so you can measure impact
  - Primarily alumni volunteer-led execution
- **Timing requirements:** Your initiative must take place between **Alumni Day (February 21, 2026)** and **Orange & Black Day (October 22, 2026)**.

# Spark Fund example: Southwest Florida

- **Idea:** a new event for us – a family-friendly post-Reunions gathering and swag swap in Fort Myers brings Princeton to Lee County
- **What makes it Spark:**
  - Strategic outreach to underserved geographic area ( $\frac{1}{3}$  of SWFL alumni are in Lee County, but no events since pandemic)
  - Use TigerNet to segment & target communications, and follow-up to solicit feedback and engage newly-active alumni
  - Tie-in to major Princeton event taps into the enthusiasm for Reunions
- **Timing:** Takes place in mid-June, within the roughly 200 days of the 200th celebration, and integrates SWFL's 50th anniversary with the alumni association's 200th anniversary

# Step 4: Integrate 200th strategic goals & graphics into every regional activity Feb. 21 – Oct. 22

→ **Goal: increase alumni engagement with TigerNet**

→ **Tactics:**

- Encourage your members to update their TigerNet profiles and add profile pictures
- Send regional emails through TigerNet and provide embedded links for members to click through to your site and the 200th website
- Post events on your regional website (and share with neighboring regions) and have alumni register through the site – remind them to log in first so event registrations are saved to their profiles
- Use 200th graphics on your website and in all communications

Subject: Welcome to the Princeton Club of Southwest Florida! 🌴🍹🍷

Edit

Thank you for joining PC of Southwest Florida. We have about 375 graduate and undergraduate alumni in the region, including full-time and part-time residents. Please take a look at our **EVENTS** tab for upcoming gatherings -- we would love to welcome you in person. And please let me know at [info.pcswfl@gmail.com](mailto:info.pcswfl@gmail.com) if there is anything I can do to help you plug into the Princeton network in Southwest Florida.

Kind regards,  
Julia Otis '91

President, Princeton Club of Southwest Florida

# Step 4, cont'd: Integrate 200th strategic goals & graphics into every regional activity Feb. 21 – Oct. 22

- **Goal:** reach **under-engaged** segments of your membership
- **Tactic:** The TigerNet team can segment your alumni mailing list by graduation year, geographic location, undergrad/grad, gender, etc., so that you can tailor your communications and events to different demographics

Select the list(s) of users you want to target. Users who appear in more than one of the selected lists will be targeted only once.

From the selected user lists, only users who provided their consent to receive email communications and subscribed to related campaign categories (if applicable) will be targeted.

## Select user lists

All Groups - Graduate Alumni [1980-2025] - Excludes Students

PC of Southwest Florida -2020s - All Alumni

PC of Southwest Florida - 1990s - All Alumni

All Groups - Graduate Alumni Only - Excludes Students

All Groups - All Alumnae - Excludes Students

All Groups - Recent Alumnae [2016-2025] - Excludes Students

## Step 4, cont'd: Integrate 200th strategic goals & graphics into every regional activity Feb. 21 – Oct. 22

→ **Goal: increase alumni engagement with your regional association** **virtually**

→ **Ideas:**

- **A virtual book club** to discuss the annual pre-read - perhaps a local alumnus is a subject-matter expert and can lead the discussion. In TigerNet, you can search the alumni directory for your local region + academic major to find possible leaders and attendees
- **A virtual brown-bag lunch** - invite a subject-matter expert to discuss a regional issue with a local alum interviewer
- Reach out to the **Princeton Speaker's Bureau** to book a member of the faculty or administration to address your group virtually (and invite other regions to join!)

# Step 4, cont'd: Integrate 200th strategic goals & graphics into every regional activity Feb. 21 – Oct. 22

→ **Goal: increase alumni engagement with your regional association** **inexpensively**

→ **Ideas:**

- **A pot-luck** at a local library, park, private home, or the common room of an apartment building – the [O&B Day Virtual Party Pack](#) has ideas for Tiger-themed food & beverages
- If any **Princeton athletic teams** are coming to your region, designate a particular seating section for alumni to buy their own tickets, and meet for pay-as-you-go pizza before or after. Or organize a viewing party for a televised game
- Is the **Triangle Show, the Glee Club, or one of the a cappella groups** coming to your region or a neighboring region? Invite local alumni to go together, followed by an outing for coffee/dessert and discussion
- Organize volunteers for a **local charitable cause** **and post volunteer hours on the 200th website!**
- Is there a local alum who could **lead a tour** of a cultural institution, or a local hike or walking tour? Or perhaps a wine tasting (a bit more pricey but very popular in many regions)?

# NEXT STEPS FOR REGIONAL LEADERS

- Right now: submit events to 200th website & request pins
- Log service hours on 200th website (both service to Princeton and community service)
- Share photos & Tiger Tales on 200th website
- Apply for Spark funding!
- Between Feb. 21-Oct. 22, use 200th branding on regional websites, at events, and in communications

**THANK YOU!**
